

CANADIAN MAILBOX COMPANY

Vertical Interior Mailbox Units

S101R 7 GANG AL

- Mailboxes meet or exceed Canada Post Standards
- Stocked ganged up from 3 to 7 compartments wide.
- Security: Constructed with heavy gauge reinforced extruded aluminum to give a lifetime of service and maximum protection for mail.
- Cardboard name & number tags are supplied standard.
- Units are to be mounted a minimum of 18" off the floor.
- Depth: 3-1/2"
- Height: 17-5/8". Please see table for widths of each unit.
- Locks: Supplied with 5-pin cylinder Canada Post approved lock
- Optional Collar for Surface Mount Mailbox: If the wall cannot accommodate the depth of a fully recessed mailbox, the boxes can be surface mounted with optional collars. The collar depth is 7-1/4".
